- Diazteca exhibits and attends to many shows in Europe & Asia, as Fruit Logistica, Bio-Fach and others.

DIAZTECA

# Diazteca Foundation

Somehow, we are trying to return to community part of all the support they have provided us at long of this 62 years, since the seed of our group was planted for our founders.

- Providing scholarships to our workers children.
- Providing funding to local shelters.
- Fixing community roads after hurricanes.
- And more.
